*Educational
Presentations*

Visiting Angels would like to offer you the following educational presentations at no cost:

Choices of Care

This presentation helps seniors navigate their way through the health care choices that are in the community that will benefit them and/or their caregiver. Topics include doctor visits, homecare, home health care, durable medical equipment, adult day care, assisted living, memory care, skilled nursing, and hospice care.

Length: 35-45 minutes

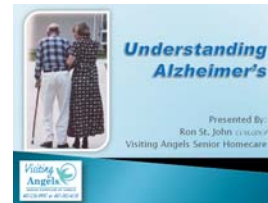

Best for Churches, Community Centers, Club House's, Senior Centers, and Retirement Communities.

PLEASE NOTE:

A minimum of 30 days advance notice is required for all presentations

Understanding Alzheimer's

This presentation covers Alzheimer's and other related disorders. From the beginning stages to the end stages. The best ways to communicate and care for someone with Alzheimer's. How the disease affects activities of daily living and much more.

Length: 60 minutes

This is a great presentation for an Alzheimer's Caregiver, a person who has recently been diagnosed with Alzheimer's, or family member and friend of someone with Alzheimer's.

Memory Screenings

Memory screenings are a great way to invite the local senior community to participate.

Length: 15 minutes per person

Best for Health Fairs, Assisted Living's with memory care, Senior Centers, Churches, and Retirement Communities.

Team Trivia

Team Trivia is a fun team building exercise that can be customized for any topic. Each table in the room competes against each other to answer the most correct trivia questions. The winning team receives a prize

Length: 30 minutes

This is a great and fun way to promote team work. Assisted living, skilled nursing, or retirement community staff. Also great for professional marketing meetings.
